ADDRESS CHANGE

Dear Valued Customer and Supplier,

Effective August 1, 2011

Thanks to the tremendous support received by GNP Ceramics, LLC we've had to relocate our facilities to a new 5,000 square foot office and 20,000 square foot warehouse. This will better allow us to continue the great service in which we pride ourselves. Our new facility will include our customer service center, physical properties lab, and additional warehouse space.
