News Release

February 1st, 2014

GNP Ceramics is proud to announce the addition of screening capabilities. GNP Ceramics can meet your re-screening or custom sizing needs using one of our 18", 48", or 60" with Ultra-sonic capability Gyra-Vib separators. Whether you need scalping, product sizing, or repackaging with contamination control – we have the solution for you. Contact us for further details or quotes.
